WALKING THROUGH HISTORY - 1964

1st Orange County Swap Meet

OUR SWAP MEET

Held on June 21st, Sunday, and designated as "M.E. Smitty Smith Day", turned out as a fine success, considering our first attempt at this sort of meet.

Rolie Ferris did his usual duty holding down the 'mike' position, and giving away the prizes.

We were all quite elated to see "man of the day" M.E. Smith, home for awhile.

No doubt it'll be an annual thing, with the turn out of 72 paying swappers!
