A Report on the First Annual Orange County
Installation Dinner

by

Jeanne Parrish

The Galaxy Restaurant, atop Crocker Citizens Bank in Santa Ana, was the setting for our first installation banquet held Friday evening, January 13th.

Thirty-four Model Aers arrived between 6:30 and 8 pm for cocktails, and dinner followed, with a choice of prime rib or seafood platter. Settling back after a good dinner, we found Larry Boef, out-going president, presenting his board members with engraved radiator caps for all their work and cooperation over the past year. Larry introduced the guests for the evening, Jim Ryner and Claudia Davison, and Jack and Vivian Payton. Jack introduced our new 1967 prexy Andy Saez, who presented Larry with the traditional gift to past presidents, a watch. The past presidents were also honored with engraved plaques.

Distributor editor Mary Robinson was presented with a new portable electric typewriter for the paper.

Andy introduced his new board for 1967, and brought our January meeting to a conclusion.

Dancing continued into late hours, and it was agreed that this should be an annual affair to welcome in the new board members, and give thanks to out-going officers for all their time and work given to make our club the success it is.
