WALKING THROUGH HISTORY - 1978

The Round-up had moved to Movieland Wax Museum for a few years but the club was losing money. In 1978 they decided to go back to Knott's Berry Farm for the 16th Annual Round-up. OCMAFC paid Knott's \$1,000 and Knott's included entrance into Knott's Berry Farm for all attendees.

This was just a small part of the lineup of Model A's.

Members from the San Diego MARC-MAFCA chapter won big.

Seven Souther California MAFCA clubs create the Southern California Regional Group (SCRG) recognized by MAFCA. This group helped in coordinating dates of events to avoid overlaps and to get clubs working together on events.

Totaling up ALL club tours for 1978, the total mileage was 1,988.
