

WESTPORT TOWN CLUB  
HONORARY MEMBERS CLUB OF AMERICA

June 9, Number 5 & 6.

June 1963

Time once again for your reminder for the next club meeting. See you at the Mack Walton Club House, 730 W., Thursday, 13 June. Now that we have our own key to the building, we should'nt have any delays or running around to find out who has the key.

Do'nt miss this next meeting. We have the film put out by the Ford Motor Company on the life of Henry Ford scheduled for showing. This is a sound film, color I can't promise. Also if we are lucky, we should have a film which was taken by the Edwards Air Force Base Chapter of thier annual meet for 1961. The people who have seen it say it is really worth while. Keep your fingers crossed. They promised to send it to us by the 13th.

Two trophies for 2 cars at the Edwards Air Force Base rally is not bad at all. Gene Robinson and Melvin Howell made this event with thior A's and came back with the trophies. How about bringing the loot to the meeting! Both Gene and Melvin took thier wives with them and they said they really had a swell time. Of course, it gets a little hot up in that area, so if you make the trip next year, be sure to take ~~some~~ a beach type umbrella and dont forget the sun glasses like I did. A small folding chair or stool comes in handy also. Chuck Peters of Whittier walked away with most of the trophies for his fancy roadster, and Ed Inghram of Glendale also got his fair share for his outstanding 29 2 door. Both have beautiful restored cars.

Joe Eatherton Jr, Mrs Andy Paulino, Don Hender, Dick Neeld, Gene Howell, Melvin Howell, and Gene Robinson made the tour to San Juan Capistrano this past Sunday. From the reports I hear,

All went real well and everyone had a nice time. All we need now is more A's on the road and a sure cure for oil leaks. Incidentally, before they left Santa Ana, they were passed by an elderly couple out for a drive in a 30 Tudor.

Our thanks to Mr Lester Scott for the fine job of producing the club decals. You might find it hard to believe, but these decals caught many a persons eye at Edwards. Some even asked where the Orange County Chapter is located. If you have'nt received your decal yet, sound off at the next meeting. For those lucky guys who own more than 1 A, you can purchase additional decals at a reasonable fee. Just see the treasurer.

COMING EVENTS FROM OTHER CLUBS AS WE KNOW THEM AT THIS TIME:

17 June, Swap Meet, Mission Valley, San Diego; 23 June, Tour to Irvine Park, Paradise Valley Club; 20-21 July, Idyllwild Tour, NARC, sponsor; 4 July, Parade at Oceanside; 29-31 July, National Meet, NARC, San Diego; August, Idyllwild Tour, MAFCA, Jewell City Chapter sponsor; 5 October, Parade at Fallbrook; 6 October, Model A Day, Palomar Chapter, Fallbrook, sponsor.

If you know of any other events which we might have overlooked, please announce them at the next meeting.

Two recent advertisements in magazines showed pictures of Model A's. One was a sports car competing with a Model A Coupe, with 2 children in the rumble seat. The other picture is of a well known foreign bug who said the man in the picture decided he needed a new car because his 20 Tudor Sedan was worn out. Do these auto manufacturers think they can stamp out the Model A? Don't fight us, join us.

If you don't know the chairmen of our various committees, now

is the time to find out: Vera West, Hugo Thomas; Gene Towell, Activities; Charly Gans, Membership; Nancy Micokey, Refreshments, and yours truly, Publicity. Other names you will want to remember are: Richard Hastings, Technical Information, and Gene Robinson, Historian and Librarian.
