THE PRESIDENTS MESSAGE
 by Matt Plotkin-President
 9622117

Round-Up 1978 will long be remembered as one of the best. Everyone enjoyed being back at Knott's Berry Farm. The participation was really good with cars coming in from all over-including 14 cars from San Diego. Over 100 cars registered 64 cars went through judging, and 33 trophies were awarded - and what spectacular trophies they were.

Pres. Message Contd.

There was a lot of work done by many dedicated club members to make the day as successful as it was. To all of you who helped and did all that had to be done - we thank you. You all did a great job, and through your efforts we had a resulting success of the Round-Up. Thanks again.

Bill Vaughn won a pair of tickets to our annual Xmas Party for selling the most Quilt raffle tickets. Congratulations Bill.

Mike and Mary Livingston put on a Halloween Party that was in the true tradition of Halloween, it brought out the 'kids' in all of us. The haunted house in the garage should remain as a permanent fixture, with the screams and laughs and all. Mary prepared a feast in her usual grand manner and the originality and creativeness of the costumes was fantastic all in all a fun evening. Thanks Mike and Mary - it was a great party.

The ballots for the election of next years Board and the new President are included with this issue of the paper. Please take time to fill out your ballot and submit it to Glenn Johnson.

A car show is scheduled for December 2, at the Orange Town & Country Mall. It is a one day affair with 30 cars. We still need 10 more cars, so give me a call if your car has not been signed up.

It's holiday season again with all the trimmings. The annual Christmas Party will be Dec. 16th. It promises to be a grand evening. For everyone not familiar with our Christmas Party - it is our one "formal" party of

the year. We don't dress formal, but we do have a sit-down dinner (Prime Rib with all the trimmings), a fantastic dance band until we are too tired to dance, and plenty of door prizes. The evening is also the installation of the new Board and the incoming President, and the presentation of various awards. The party has always been one of the highlights of the year, and should continue this year also. See Bev Marsh for details and tickets, and plan on attending.

The childrens Christmas Party will be on December 14, at Trident Hr. High. Mary Deisenroth and Sharon Johnson are handling the planning, so see them to register your children. No cost to the members, and there will be a fun evening for all the kids.

The annual New Years Party will again be at Glenn & Sharon Johnsons home. All club members are invited. Mark the date on your calendar.

The year is closing with absolutely no let-up in activities. See Tom Schenks article for all that's still ahead this year, and try to attend.

Again, a very special THANKS to everyone who contributed so much to this years Round-Up, and especially to Chuck Williams for all his hours of work (and worry). And Dennis Johnson - what are you planning for next years trophies????????

And did you hear the one about the club president who went home with the carrying case for the club banner - but left the banner hanging on the tree!!!! I guess the club got even, because I got thrown into the pool at the Round-Up party that evening.

"Your A's Activities"

by Tom Schenk
637-9599

We really should be winding down the years activities now that the Round-Up is over but looking at

the Nov. Calendar it seems we are as busy as ever this month too.

The two mileage tours should be great fun with many members driving to San Diego for their fun Weekend at the Ilandia Hotel. If you can try to make it for at least one day, Saturday, Nov.11, it's a great Model A event.

Richard Carter will be leading a mileage tour to San Juan Capistrano on Nov. 19. This will include a stop at a private car collection along the way. We plan to leave the Orange Mall at 10:00. Bring your own picnic lunch.

It doesn't seem possible but the Holiday Season is almost here.

See The calendar for the dates of three great activities during December. Wasn't the Round-Up great! A special thanks to all who worked to make it such a success. A special "Well Done" to Chuck & Linda Williams who really made it all possible this year.

TREATS:

Thanks to Irene Pebley, Cheryl Knight and Tina Belles for providing the refreshments for the October Meeting.

TECH TATTER

by Larry Boef

Thanks to Maynard Grunklee for hosting our last seminar. We had two lucky judging winners who will receive gift certificates at the next meeting.

Our program for the next meeting will be films & slides from the National Meets this last summer.

Preceding the meeting we will have a Pot Luck Dinner starting at 6:30 P.M. at the school. If your last name begins with A-M, bring a main dish to serve eight plus a desert, if your last name begins N-Z please bring a main

Tech Tatter Contd.

dish for eight plus a vegetable or salad, the club will provide coffee, punch, rolls & butter.

Tentative date for the Nov. seminar is Nov. 17th. Time, place and subject to be announced at the Nov. meeting.

Christmas Party
News!
ADULT CHRISTMAS PARTY

Our Christmas Dinner Dance this year is being held at the Anaheim Bowl, Chariot Room, 1925 Lincoln Blvd., Anaheim, on Sat. Dec. 16th. There will be a no host cocktail hour before and dinner will be served at 8:00P.M..

The price is \$20.00 per couple --inflation hasn't hit us yet! This includes a prime-rib dinner, dancing to the music of a great live band, lots of raffle prizes and a fun time!

Tickets go on sale at the Nov. Meeting. See Bev Marsh. If you can't make it to the meeting, call her at 839-5203 to get your reservations.

POST ROUND-UP REPORT
by Chuck Williams
836-7057

T.G.T.R.O. (Thank God the Round-Up is over!) Just kidding of course!

Round-Up 1978 was a success in almost every sense. The weather was great,.We had a good turn out at the 6 A.M. breakfast at Sambo's and over 100 Model "A"s were registered for the car and era fashion show. Furthermore, the quilt was beautiful, the trophies superb, the judging honest and best of all everybody enjoyed themselves--especially me.

Many thanks to all the people in our club who helped out, either by taking on a project or by just coming to the Round-Up and participating. Special thanks goes to my wife Linda - who spent many hours sewing the quilt together-- and Denny Johnson who took on the challenge of designing and building the trophies. It's gonna be a tough act to follow next year!

On the negative side; only thirty four families from our club entered their cars and it cost us a little over \$100.00 to put on the event. Primarily due to lack of quilt raffle ticket sales. However, in the main it was a success and I was proud and pleased to be a part of it.

Knott's Berry Farm was very pleased with our event. Their representative kept commenting on what a nice group of people Model "A" people are - I agree!

Post Round-Up Report Contd.

Next years Round-Up will be at Knott's Berry Farm again, so plan ahead for Saturday, October 20, 1979. For you people that didn't attend or participate this year; plan ahead now for 1979 so you can see what you missed. I'll be there - I hope - to say I told you so.

CHUCK

P.S. Congratulations to Irene Sharpe for winning the quilt - you lucky devil you!
