Nov. 10, 11, 12 San Diego Fun Weekend mileage Tour

THE PRESIDENTS MESSAGE
by Matt Plotkin-President
962-2117

The tours during September were really great. Our club had a good turnout for the Paradise Valley Bar-B-Q and Rodeo. We had a great time and enjoyed some excellent food. As usual, we took our share of the trophies, including Bev Marsh's trophy for the "Not so best driver". At Griswolds, our club also had a good turnout for that weekend, and scored pretty well in taking both car and clothes trophies. Glenn Johnson made all of us proud by winning the Best of Show Blue Ribbon Trophy - that's two years in a row. What's in store for next year, Glenn?

PRES. MESSAGE CONTD.

Everyone who attended Rim of the World tour said it was one of the best ever, and last Sundays All Ford Picnic at La Palma park was fun. It's always nice to check out all those cars that are not Model A's. Rak Krist took the Best Model A Trophy - that's another two-years-in-a-row winner!! We're wrapping up the tour season with the 2nd Annual Pumpkin Tour - and then there is the Round-Up.

To date, we have sold around \$700 in pre-registration for the Round-Up. Unfortunately, not enough of those sales are from our club. Where are you, Orange County members/ We need your support!!

Chuck Williams, our Round-Up chairman, seems to have all the loose ends wrapped up and under control. He is having a final meeting on Friday, October 6th at his home for those involved. The trophies are coming along - and will be beautiful - thanks to Dennis Johnson for their design and construction.

Glenn Johnson has a very impressive list of candidates for next years Board. They will be introduced at the next General Meeting.

Our thanks to Pat Douglass for always doing such a great job as our newspaper editor. She has very quietly, but diligently, been doing all the work that is involved in putting out and mailing the paper every month, plus maintaining the electric typewriter and the mimeograph machine, plus doing all the running around in getting the quotes for the new cover and then getting it printed, plus all the things that we don't even know about - and always getting everything done on time. Pat - thanks a lot from all of us.

PRES. MESSAGE CONTD.

EDITORS NOTE:

I was advised by Matt not to edit any of the previous paragraph, so I'd like to thank him and everyone else for the "Vote of Confidence"-- it's always nice to know your work is appreciated! I also received a letter from Matt saying basically the same thing, which I intend to frame - with what I don't know, but I'll think of something!! Gee, I di'n't know I was doing that good of a job, maybe I should ask for a raise?!?!?!?!?

Thanks again, Pat

Irene Sharpe has had to resign from taking care of the jacket and patch sales. We appreciate her efforts in doing that job for so long-- Thanks Irene. Dione McNabb has graciously accepted the job and will be handling the sales of name badges, jackets, and patches. So, please see her for those items.

Sheila asked me to add a P.S.

P.S. The summer Bowling League party will be on Saturday, November 4, 1978 at the home of Matt and Sheila Plotkin. See Sheila or Bev Marsh for details.

"Your A's Activities"

by Tom Schenk
637-9599

This is a great month for young and old alike as far as your clubs activities go for October.

I'm sure the kids will enjoy this years pumpkin tour again, being led by Glenn Johnson this year. This tour will leave the Orange Mall at 10:00 A.M. on Oct. 15th. Bring your picnic items and a sharp knife or felt marker to make your Jack-O'-Lanterns.

Our big event of the year is the Round-Up on Oct. 21st. Let's see how many of our beautiful trophies our club can win. Knott's is a beautiful place for young and old alike. Whether you want to ride Montezumas Revenge or just enjoy the

"Your A's Act. Contd.

Model A's, it's a great event!

Our adults only Halloween Party will be held at Mike & Mary Livingstins at Emerald Bay again this year. Put on your crazy outfits and our tour will leave the Orange Mall at 6:30 P.M. and we'll stop at South Coast Plaza to pick up the Southern group at 7:00 P.M. Please bring your own liquid refreshments. There will be a prize for the best costumes, so be creative and think of something really different.

Registration forms for the San Diego Nov. 10th to 12th tour were distributed at last months meeting. Our tour will leave the Orange Mall at 7:00 P.M. on Fri. evening, Nov. 10th. You should make your reservations at the Ilandia Hotel as soon as possible

Yum!Yum!!!

Our thanks to Larry Boef, Jan Fischer, Mary Deisenroth and Bev Marsh for the refreshments at our Sept. Meeting.

TECH TATTER

by Larry Boef

- Q. What's big and heavy and comes with a trunk?
A. A 1932 Packard Phaeton? Wrong! So don't bring your Packard Phaeton to the Oct. Meeting, instead bring a white elephant & we'll have a super colossal fun nite. Every member is requested to bring some item either household or car related, that you don't need as your admission to the October meeting, and we will have a grand auction presented by honest L. J. and the win some, lose a lot Auction Co. The item you bring can be either new or old, but clean please. It should have some worth to it as this is a fund and fun project for the club,

Tech Tatter Contd.

Q. Can I bring the Monkey that's on my back?

A. No, only white elephants - one from each member to the October meeting.

The seminar for October will be a fun contest with a prize for the winner. Here's the plan - we will have two cars to judge by National Judging Rules. We will judge the cars individually and the member coming closest to the average of all scores will win. Here's your chance to really do some nit picking and get some experience learning what's right and wrong on a Model A. This will strictly be a fun competition for you to win.

TIME: 7:30 P.M. Fri. Oct. 13th

PLACE: Maynard Grunklee's
2826 N. Dayna
Santa Ana

TECH TIP - Armour All has a new product called Ultra Plate that makes the best darn chrome polish I ever used. It works great as a wax polish also,

ROUND-UP '78
by Chuck Williams
836-7057

Polish up those Model "A"s and shake out the moth balls from your era clothing cause Round-Up 1978 is almost here!

Thanks to the combined hard work of a lot of people, this years Round-Up is going to be one of the best ever. Registrations are up and the trophies are going to be very unique and beautiful. Also, it will be featured in the Restorer Magazine.

Let's all give our support to this traditional event by selling those Raffle Tickets (at least 10 per family) and by attending the Round-Up on Saturday, October 21st.

Remember, we have extended an invitation to hundreds of car enthusiasts and M.A.F.C.A. members. It's very important that we the hosts - have a good turn out!

Round-Up '78 Contd.

If your Model "A" isn't totally restored bring it to Knott's anyway. People like to look at the unrestored cars too - they are neat.

Starting the day off will be the traditional 6 A.M. breakfast at Sambo's Restaurant, located on the corner of Beach Blvd. and Crescent Ave. After breakfast will be registration, pictures and judging from 8 - 11. From 11 - 2:30 will be lunch and fun break at Knott's Berry Farm. At 2:30 the trophies will be awarded and the quilt and other prizes raffled off. The Farm will be open 'til midnight and security will be provided. So you won't have to sorry about your "A" if you want to stay late.

It promises to be a real fun day and the tickets to Knott's are good either Saturday or Sunday.

See you there!
Chuck Williams

GOODIE BAGS

Many thanks to several members who turned in articles for the Round-Up goodie bags at the last meeting. We still need more items to go into them. Also, we need at least 100 paper or plastic bags to stuff.

Bring "stuffings" to next meeting or phone me & I'll pick them up.
